Sir Knight A. G. Sulser Placed in Grand Commandery Line

Eminent Sir A. Gordon Sulser, of Maysville, Elected Grand Captain of the Guard of Kentucky Knights Templar.

As one Maysville man stepped out of office as the highest officer of the Kentucky Knights Templar, another Maysville man was placed in office at the foot of the line by the Past Eminent Commanders of the Kentucky Commanderies at the annual election held at the Masonic Temple Thursday morning.

Right Eminent Sir Samuel Pearce Browning surrendered the gavel as Grand Commander and Eminent Sir Alexander Gordon Sulser, of Maysville, was unanimously elected Grand Captain of the Guard, and, according to an ancient custom will be advanced steadily in line until he too shall be the highest officer in the Grand Commandery of Kentucky.

Paducah was chosen as the next conclave city after a hard fought battle with Paris, the home city of Right Eminent Sir M. H. H. Davis, who was made Grand Commander. The western Kentucky city won the next conclave by the very narrow margin of one vote over Paris. The contest for the next conclave began on Tuesday and has been very lively all during the week. The western Kentuckians argued that this section of the state has had the conclave for many years and that the western part of the state should have the honor of entertaining the Knights in 1923.

The Grand Commandery adjourned Thursday afternoon after the installation of the newly elected officers as follows:

Right Eminent Grand Commander—M. H. H. Davis, Paris.
Very Eminent Deputy Grand Commander—James Kelley, Owensboro.
Eminent Grand Generalissimo—O. H. Muntz, Louisville.
Eminent Grand Captain General—P. J. Mayer, Covington.
Eminent Grand Senior Warden—J. R. Yeager, Danville.
Eminent Grand Junior Warden—D. B. Shackelford, Richmond.
Eminent Grand Treasurer—R. C. Stockton, Richmond.
Eminent Grand Recorder—A. H. Bryant, Covington.
Eminent Grand Prelate—J. T. Graves, Versailles.
Eminent Grand Standard Bearer—J. P. Gregory, Louisville.
Eminent Grand Sword Bearer—W. W. Rubel, Lebanon.
Eminent Grand Warden—S. S. Piney, Mt. Sterling.
Eminent Grand Captain of the Guard—A. G. Sulser, Maysville.
Eminent Sir Sulser was elected to this important post without opposition which comes as a very high compliment to him and as well to Maysville.

BOAT VICTIM TO PLAY FIRST FOR PRESIDENT

Manchester Band Member Receives Flowers From Mrs. Harding and an Invitation to Play at White House

The Cincinnati Enquirer says: Wilbur Morgan, 15 years old, Manchester, Ohio, a patient at Christ Hospital, who was injured when an upper deck on the steamer Island Queen collapsed April 22, received yesterday a large box of roses from the White House gardens, the gift of Mrs. Warren G. Harding.

The box contained four dozen roses and a dozen snapdragons. A message in the handwriting of Mrs. Harding which was placed among the flowers, expressed a hope for the boy's speedy recovery.

After sending the flowers to Wilbur, Mrs. Harding feared he would not receive them, so she wrote to Mrs. C. C. Kearns, wife of Congressman Kearns, of Clermont county, and requested that she visit the boy as her representative and see that the flowers were in good condition. Mrs. Kearns called at the hospital yesterday and had a long talk with Wilbur. She said that the first time he played following his recovery would be at the White House, with President Harding as his honor guest.

Congressman Kearns has requested permission to call on Wilbur this morning.

COUNCIL MEETS TONIGHT.

Regular semi-monthly meeting of City Council will be held Thursday evening at the Council Chamber and it is understood that much important business is to come before the City Fathers at this session.

and speaks highly of the esteem in which Sir Sulser is held among his fraters in the Grand Commandery. It also speaks highly of the esteem in which the Grand Commandery holds Maysville Commandery No. 10. Much business of importance was transacted during the annual conclave here Wednesday and Thursday. The Grand Commandery endorsed the action of the Grand Encampment of America in its movement for education and an assessment of one dollar for each Knight in Kentucky will be assessed annually for the education of orphan children.

Another important action taken by the Grand Commandery was the adoption of a rule that in the future no candidate for Knighthood can be knighted until he shall have procured a regulation Knights Templar uniform or until he shall have deposited with the recorder a sum sufficient to purchase the same.

BOY KILLED BY C. & O. TRAIN AS HE RUNS AFTER BALL

John Charles Gettis, Nine Years of Age, Dies of Injuries Received When Struck By Freight Train Near C. & O. Depot Wednesday.

John Charles Gettis, nine-year-old son of Mr. and Mrs. John Gettis, died within a few minutes after being struck by a C. & O. freight train near the local station Wednesday afternoon at about 4 o'clock.

The boy's father operates a restaurant near the depot and the lad with little playmates was playing ball near the father's place of business. The ball was knocked to the Gettis boy and he failed to catch it. It rolled between the concrete pavement at the station and the east bound track and not noticing the approaching eastbound freight train, the little fellow ran to recover the ball. He was struck by the cylinder of the engine and knocked under its wheels.

The train ran completely over him severing one leg from the body and he received serious injuries to other parts of the body. Dr. A. O. Taylor, local C. & O. surgeon, was called immediately but upon his arrival found that there was nothing he could do to save the lad and he died within a few minutes after the accident.

The little fellow was a student at the First District school and was a favorite in the West End of the city. He was a well-mannered boy who made friends with everyone and his parents have the sympathy of the entire community in their sore bereavement.

Holman Owens, John Kidder and James Broshears, were the playmates when he was struck. One of the boys says that the passing of a westbound train drowned the noise of the approaching. Another playmate said he saw the east bound train approaching and called to Gettis but he could not hear the warning.

Coroner Thomas F. Higgins was called and made an investigation and will hold an inquest following the funeral.

The funeral of the young boy will be held at 3 o'clock Thursday afternoon from the Christian church and burial will be made in the Maysville cemetery.

LEXINGTON WANTS HORSESHOE BAND FOR NEXT CONCLAVE.

The Maysville Horseshoe Band made the big hit of the conclave in the Knights Templar parade on Wednesday. They were retained by Webb Commandery of Lexington and that commandery was more than pleased with the music they made. Webb Commandery on Wednesday wore so very much pleased with the Horseshoe Band that they immediately employed the Horseshoe Band for the next conclave and asked no price be fixed. The members of the Horseshoe Band are pleased to know that they are to accompany the Lexington Commandery to the next conclave because they were treated royally by the Knights of Webb.

NOT AN ARREST MADE ON WEDNESDAY.

Chief of Police James Mackey and his assistants, the regular police force, American Legion men and special police, are to be congratulated upon the manner in which they handled traffic and order in general in Maysville on Wednesday during the big Knights Templar parade and before and after. Traffic was handled perfectly. There was not an accident and it was not necessary to make a single arrest during the whole day. This is a record Chief Mackey and his men can well be proud to claim.

CINCINNATI MUSICIANS PRAISE OUR BOYS' BANDS.

Joseph Siskinger, President, and Lou Kaiser, Secretary, of the Cincinnati Masonic Band, which furnished music for the Newport Commandery during the conclave here, called on Colonel Russell Thursday morning and congratulated him upon both the Cardinal and the Horseshoe Bands. They praised the youthful musicians for their musical ability.

DEMOLAY COMMANDERY WINS DRILL CONTEST

Famous DeMolay Commandery of Louisville Takes Honors From Covington as Best Drilled Team.

DeMolay Commandery Knights Templar, of Louisville, became the banner commandery of the state for drilling at the annual drill contest held in Third street Wednesday afternoon. Covington Commandery was Demolay's only opponent and the drill teams representing both commanderies plainly showed that they had been practicing hard to capture the honors at the conclave.

The judges awarded the honor to DeMolay and a beautiful silver pitcher and goblet offered by Maysville Commandery was presented to the team's drill captain in a very appropriate address by Rev. Sir J. J. P. Perry, of Maysville Commandery.

The drill contest attracted a very large crowd to Third street between Sutton and Market which had been roped off for the contest and the large audience enjoyed something unusual and dazzling.

NEWPORT'S FAREWELL.

Headed by the Cincinnati Masonic Band wearing straw hats and red bandana handkerchiefs, members of Newport Commandery gave Maysville a farewell by parading through the streets Thursday afternoon. The band director carried a shovel for a haton.

One banner carried said: "Good Bye Maysville, We Love You and Hate to Leave You". Another banner carried their official insignia which was a plate and cup surrounded by knife, fork and spoon bearing the initials N. T. F. A. meaning "National Table Finishers' Association." This official banner was presented to Eminent Sir A. G. Sulser. The delegation gave cheers for the Boys' Band and most everyone else. The Public Ledger was given a serenade and cheered by the crowd. There were a jolly good bunch and Maysville wants to see them all back again in a few years.

THURSDAY'S GAME POSTPONED MAY TAKE PLACE FRIDAY.

The game between Cynthiana and Maysville scheduled for Thursday afternoon was forced to be called off because of wet grounds and threatening weather. This will come as a great disappointment to the many Cynthiana fans who were here for the conclave and stayed over for the contest. Though it is not a certainty it is very probable the game will be played Friday as the Cynthiana team arrived in the city Thursday morning.

COUNTY TAX COMMISSIONER RETURNED HOME; IMPROVING.

County Tax Commissioner W. F. Steele, who for several weeks has been a patient in a Cincinnati hospital where he underwent a serious surgical operation, was returned home Thursday afternoon and removed to his home in East Second street. He is reported as improving very satisfactorily.

SATURDAY WILL BE BIG FARMERS' DAY FOR MAYSVILLE

Great Sum of Money To Be Paid Members of Tobacco Pool Here Saturday—Business Men Arrange Big Celebration.

Saturday promises to be one great day in Maysville for on this day several hundred thousand dollars will be paid members of the Burley Tobacco Co-operative Association by the officials of the local branch as the second payment on their 1921 pooled crop. All arrangements have been completed and the day promises to be one of the greatest in Maysville's history.

Headquarters will be established in the building at the northeast corner of Second and Market streets recently vacated by the Brady-Bouldin Company and checks will be distributed at this place. All farmers in the association have been notified to call for their check during the day. There will be a large clerical force so that the business can be handled promptly and there will be no need for a long wait.

Business men have arranged to entertain the growers. There will be plenty of free lemonade on the streets at various points and the city will be turned over to the growers.

There will be a band concert on the streets and another at the Washington Opera House in the afternoon where Hon. J. N. Keboe, member of the Board of Directors of the association, and others will address the growers.

BAND CONCERT AT PARK PLEASING.

The band concert given by the Cardinal and Horseshoe Bands at Beechwood Park Wednesday evening at the reception given by Webb Commandery, of Lexington, was heard by a great host. The concert earlier in the evening by the Cardinal Band in the Market street band stand was the highest class concert yet given by the local band. Members of various other bands heard the concert and were lavish in their praise of our high class organization.

FEUDIST FIGHT PISTOL BATTLE IN COURT HOUSE

One Killed and Four Wounded in Battle in Bell County Court House on Wednesday.

Pineville, Ky., May 17. — Riley Ball is dead, his uncle, Frank Ball, and John Hurst probably fatally wounded and Clay Colson and Flint McDaniel slightly wounded as a result of an outbreak of the Colson-Ball feud in the hall of the Bell county court house here today. Five men are under arrest and extra deputy sheriffs and police are patrolling the streets.

Just how the fight started is not known. All of the participants were witnesses in the case of George Colson, charged with killing Ira Ball some months ago. The case was set for trial today. After the shooting George Colson was recaptured, placed in jail here, and Tom Manning and Tim Alva and Floyd Ball were arrested and taken to Middlesboro.

Judge J. Grant Forester had convened court and a jury was being selected to hear another case when the fight started. The courtroom and lobbies of the building were crowded.

Judge Forester immediately ordered Sheriff Martin Green to summon all of the extra Deputy Sheriffs needed to maintain order and Mayor L. L. McDonald issued orders to the Chief of Police. Feeling was tense for an hour or two following the shooting.

HILLDALE HUSTLERS.

The Hilldale Hustlers will meet at the home of Mrs. Perry Johnson Friday evening at 7 o'clock. A full attendance is desired.

CONCLAVE BALL TO END FESTIVITIES OF GREAT MEETING

Annual Ball at the Masonic Temple Thursday Evening To Be One of the Most Brilliant Affairs of Conclave Week.

The seventy-fifth annual conclave of the Grand Commandery Knights Templar of Kentucky will be brought to a formal close Thursday evening when the annual conclave ball will be given in the Masonic Temple by Maysville Commandery to the officers of the Grand Commandery, the remaining Knights and ladies of other commanderies and the friends of Maysville Commandery, who have assisted in making the seventy-fifth conclave one of the greatest in the history of Templar Masonry.

The various commanderies during their stay here for the conclave have view with each other in giving the most brilliant and pleasing reception and it is quite fitting and according to a long followed custom that the host commandery should close the conclave with a grand ball.

Hundreds of invitations have been issued and it is expected that the large asylum of the local commandery, the largest dance floor in Maysville, will be well filled. The ball is scheduled to begin at 9 p. m. and will close at 1 a. m.

Miss Irene Staggs, of Fleming county, was the conclave guest of her sister, Miss Hattie Staggs, of East Second street.

WASHINGTON LETTER.

Washington, D. C. — "President Harding's attitude on the subject of loans in the United States to aid in the rehabilitation of Europe is entirely consistent with his campaign speeches," says the Republican Publicity Association. "More business in government and less government in business" was one of the prominent doctrines advocated by Mr. Harding.

Loaning money is a matter of business, not of government. Only in the extreme exigencies of war was it proper for one government to loan money to another and even then it is doubtful whether the United States was justified in going as far as it did in loaning money to some of the nations associated in opposition to Germany. Certain it is that some of the money loaned by this government was not used to help win the war.

"In pursuance of its general policy of having the government do everything, the Democratic administration encouraged the belief that supplying money to both individuals and nations is one of the most important functions of government. The railroads were taken over and deficits paid out of public funds. If Congress had permitted, this new national policy would have been greatly extended. Even after the Armistice and the certainty that the war had terminated, there was a disposition on the part of the Democratic administration to be as liberal as possible in paying American money to foreign nations.

"The Republican administration has a far different conception of the proper sphere of government activity. It also has a full understanding of proper lines of investment for private capital owned by citizens of the United States. Mr. Harding has made it clear that the United States has no objection to American business men entering into conference with foreign business men and negotiating loans of surplus capital in the United States to any enterprise or any nation desiring to borrow the same. Those loans, of course, would be made upon security the sufficiency of which would be determined by the lenders. It is not the province of government to say that its citizens either shall or shall not make loans of this character so long as those loans do not conflict with the international policies of this government. In order that there might not be any such conflict the administration asked that before making loans American financiers inform government officials what they contemplate doing.

"American business men who are going to Europe to represent their own interests and the interests of their clients are among the ablest financiers in the world. If it is possible for a plan to be devised by which loans can be made, these men can undoubtedly devise the plan. When the terms of a loan have been agreed upon and the sufficiency of the security has been vouched for by men of the high standing of those who are to go to Europe, it is altogether probable that American capitalists, large and small, will invest their savings in the securities thus offered for sale in the United States.

"The whole country, with the exception of a few internationalists, will heartily approve the policy adopted by President Harding in leaving the money-lending business to private enterprise. The government cannot succeed as a money-lender any better than it can in any other line of private enterprise where experience and self-interest are essential to the highest efficiency."

OH! MY BACK!

The Expression of Many a Kidney Sufferer in Maysville.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills relieve sluggish kidneys—relieve aching backs. Ask your neighbors. Here's Maysville proof:

Mrs. H. Jones, 702 East Second street, says: "I well know the value of Doan's Kidney Pills, having used them for disordered kidneys and backache and they cured me of the complaint. My back had been giving me trouble for some time. There was a dull, nagging pain across the center of my back just over my kidneys. Many a day I had to let my housework go undone as I was feeling so miserable. I had pains in the back of my head and my kidneys weren't acting regularly. As Doan's Kidney Pills had been used in my family successfully I went to Wood & Son's Drug Store and got three boxes. After using them I was all right. I am glad to recommend Doan's."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Jones had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

WINTER ROAD WORK.

"Where there's a will there's a way" applies just as well to governmental activities as it does to private life, as the President's Conference on Unemployment has clearly shown this winter.

Among its many well-considered recommendations was one which urged every community to undertake public works, regardless of weather conditions, wherever possible, in order to furnish work for the jobless. As a rule, most communities suspend outdoor projects until spring and let up on road building, sewer and water main construction, and the erection of steel and wooden bridges.

The Emergency Committee in Washington, headed by Colonel Arthur Woods, at once set experts at work and they found that \$450,000,000 was or is available in the United States for local improvements. Municipalities were communicated with personally or by letter. To forestall any objection, all the localities which had plan-

ned public works were notified of the Canadian program to provide employment for its ex-soldiers, which consists of highway construction of certain types throughout the winter, regardless of weather conditions. The workmanlike plans of the state of Minnesota, which has informed the President's Conference on Unemployment that \$2,500,000 has been set aside for gravel surfacing, distribution of materials, rock crushing, and heavy graveling, providing jobs for 8,500 men on 300 miles of road, were also sent to interested communities.

When the returns came in, it was found that among the states starting up highway work during the winter months to furnish jobs for the jobless, were: Alabama, Illinois, Kansas, Kentucky, Minnesota, Nebraska, New Jersey, North Carolina, Rhode Island, Washington, and West Virginia.

The first school, which graduated 22 physicians and 19 nurses who had been carefully selected from the 66 hospitals of the service, was patterned after the summer school at Saranac Lake, N. Y., with necessary adaptations to the special work required.

Oteen hospital, with a capacity of 1-100 beds, is near Asheville, N. C., and is conducted especially for tuberculosis patients. This delightfully situated and easily accessible sanitarium was built during the war by the Army and was later turned over to the Public Health Service.
